MORE THAN A MOTOR- CYCLE

KOMAKI RANGER is more than a motorcycle. Its attractive look, amazing balance, smoothest ride, extra ordinary features make a difference. Once you ride it you never forget it. Make every day special with *KOMAKI RANGER*.

Power with Unprecedented Backup

Equipped with same power train performance as ic engines accompanied with India's biggest battery pack. Komaki Ranger is genetically engineered to a more efficient roaming.

CBS Double Disc

Double Disc brake system monitors the front and rear wheel at a frequency of 200 times per second to prevent an imminent wheel lock.

Weighs only 580-gram, this device balances performance & safety in all riding situations

Superior Suspensions

A pair of thicker, more robust front rear suspensions, coupled with custom dampening controls, provide the comfort in speed so you can take on anything
